

Diversity Committee Agenda

11:00 AM October 30th, 2019 Room A122

Members:

1. Diversity definition:

We value the differences in people. A diverse workforce and a diverse student body both enrich the educational experience we offer and contribute to student success. We recognize the differences in people include but are not limited to: race, creed, color, sex, sexual orientation, gender identity, national origin, religion or physical or mental disability. (This is aligned with NCC's non-discrimination statement.)

We seek to create a welcoming atmosphere to all people, challenge stereotypes, and promote sensitivity, inclusion and mutual respect for each other.
