

Weekly Update: January 13-19, 2019

Greetings!

Opportunity is all around you!

The people that really **succeed** in the world are the people who look for the circumstances they want. And, if they can't find them, they make them.

Your **destiny** isn't a matter of **chance**, it's a matter of **choice**. It's not something you wait for, but rather something you achieve with effort.

You're surrounded by **opportunity**, but things won't turn up in this world until you turn them up.

What **opportunity** will you take advantage of **TODAY**?

Weekly Updates:

- The instructors, staff, and students in the **Adult Education and Literacy (AEL)** department created a video to highlight what the department does, who it serves, and how the students benefit from those services. Thank you to Norma Azpeitia, Sarah Breems-Diekevers, Ginger Culpepper, Amy Otto, and Dianna Stallmann for creating this video. A special thank you to Brady Dyson for putting all of the videos together and editing them, to Twyla Vogel for adding captions to the video, and to Beth Frankenstein, Mike Oldenkamp, and Kristin Kollbaum for their guidance and support with the video. Please view the video on NCC's YouTube channel: <https://youtu.be/6k1DFqomlyQ>
- Kevin Miller has successfully completed the all five levels of the **Phi Theta Kappa Five Star Advisor Plan**. Kevin will receive a certificate and pin from PTK in honor of this achievement.
- Congratulations to our **Marketing Department!** They have been notified that our entries in the Viewbook Folder and Carpentry Digital Ad categories will receive a gold, silver, or bronze Paragon at NCMPR's 2019 national conference, scheduled March 24-26 in San Antonio, TX. Achievements will be celebrated at the Paragon Awards program on Monday, March 25. This year's Paragon Awards competition drew nearly 1,950 entries from 262 colleges across the country. These prestigious awards recognize excellence in design and communication exclusively among two-year community and technical colleges. Judging was done by more than 90 professionals from the Marketing and PR industry.
- The **iLead Book Club** is gearing up for its next book! This semester's book is *The Energy Bus* by Jon Gordon. *The Energy Bus*, an international best seller, takes readers on an enlightening and inspiring ride that reveals 10 secrets for approaching life and work with the kind of positive, forward thinking that leads to true accomplishment - at work and at home. *The Energy Bus* is a quick and easy read, which iLead will spread over a six-week period. The book club will meet on Wednesday afternoons from 2:00 – 2:30 starting on February 13. If you are interested in joining, please contact Kristi Landis before January 31. Please

indicate if you would like a hard or electronic copy of the book. (Please note: No additional books will be ordered after the January 31 deadline!)

- The **Spring 2019 Census Day** was this week. Please reference the attached document to review our enrollment numbers. Thanks to everyone for their work to bring students to NCC!
- On Thursday, January 17, the **Sheldon Chamber and Development (SCDC) annual meeting** was held at the Crossroads Pavilion in Sheldon. Mark Brown, Greta Giese, Kristi Landis, Rhonda Penning, and Alethea Stubbe attended. Following comments by Curt Strouth (Community Development Director), outgoing SCDC Board president Travis Klein, and incoming president Mark Ten Kley, The Iowa Nice Guy, Scott Siepker, spoke. As an outgoing SCDC Board member having reached her two term limit, Alethea Stubbe was recognized for her years of service.
- Friday, January 18, NCC was closed due to the winter weather warning we experienced in the region. Mother Nature didn't produce what we were anticipating based on the predictions; but the "snow day" with area K-12s closed also was likely appreciated!
