

- The **Northwest Iowa Manufacturing Sector** met on Wednesday, July 10, in C349. Board member/Development Director Steve Simons and John Hartog attended. Presenters included Kristi Heisinger and Intermediaries Allie Mouw and Dan Cline.
- A lot of progress is being made in the destruction and construction of **Building D**, be sure to check out the photos in the attachment. Perhaps the Automotive/Light Duty Diesel will be finished by October 1!
- In a continued effort to meet the needs of **English Language Learners (ELL)** in the community, the Adult Education and Literacy (AEL) Department held an informational session at the NCC Career Center in Orange City on Tuesday, July 9. Norma Azpeitia, the Bilingual Career Pathways Navigator and Academic Specialist, recruited for the event at the Orange City Latino Festival (June 26) and had several individuals come to the session. Due to the great response and interest, the AEL department will begin offering English as a Second Language (ESL) classes at the NCC Career Center beginning Thursday, July 18.

### Continuing Education Information

- **Consider registering for this class on July 25:**
  - Many of us have admired lovely, formal gardens but have been scared off from gardening ourselves because we feel we don't have that level of expertise. In this class you will be shown how to enjoy a beautiful garden, without a lot of structure or expense, working with nature, and making it an expression of the gardener. Participants should wear outdoor clothes and shoes suitable for the weather. This class will be on Thursday, July 25, from 6-8 p.m. at the Eeten Farm, 2773 Jefferson Avenue, Boyden. Tuition: \$19. Darla Eeten will be the instructor. Darla grew up with gardening, enjoying the fresh produce. Her grandparents on both sides of the family were wonderful gardeners. More than a hobby, her own garden fed her five children while they were growing up. During the last eight years, she and her husband have extended their love of gardening into a produce farm, "GoodEetens", selling their fresh produce at local Farmers Markets. Her husband is the "brains" in the operation, inspiring Darla to try new ideas, while she jokes that she is the "brawn." Gardening has always been her favorite pastime.  
To register, call Megan at ext 133 or register online at <https://nwicc.edu/events/untamed-gardening/>.

### Upcoming Events:

- Monday, July 15                      Precision Ag Camp at NCC  
No day classes, evening classes held  
Executive Council meeting  
Board of Trustees meeting (teleconference)
- Friday July 19                      Rad Tech Pinning / Alumnus & Graduate Luncheon / Summer  
Commencement

### Happy Birthday!

- Tuesday, July 16                      Kathi Knobloch
- Thursday, July 18                      Rhonda Pennings

Students, instructors, and staff are scurrying to finish the term as next Friday is another big, big day—NCC Summer Commencement! See you there (if not during the week)!

Stay cool, and enjoy your weekend! *Your success is our story!*

In your service,

*Alethea F. Stubbe, Ph.D.*

# Art and Graphic Design Camp

## Recipes and Instructions

1. Oobleck – Mix 2 cups cornstarch into a bowl and add a cup of water. (If you want to add food coloring, add a few drops to the water prior to mixing with the cornstarch.)
2. Moon Sand – Mix 8 cups of all purpose flour with 1 cup of baby oil (other oils may work as well). May take a bit to mix it thoroughly.
3. Playdoh – 4 cups all purpose flour, 1.5 cups iodized salt, 2 TBSP oil, 1 cup water, food coloring
4. Marshmallow Towers – Mini marshmallows and toothpicks (objective: try to build the tallest, free-standing tower)
5. Rain Sticks – Paper Towel Roll, white cardstock paper, birdseed, crumpled aluminum foil, duct tape for the ends, glue stick
6. Popsicle Stick People – Popsicle sticks, tissue paper, construction paper, markers, glue stick, rubber bands, pipe cleaners (superheroes, fairies, princesses)
