WELDING NIGHT CLASS OFFERED AT NCC

Northwest Iowa Community College, Sheldon, IA, will offer a course in basic welding starting Tuesday, November 10, 2009. This 30-hour course meets for 10 Tuesdays and Thursdays from 6:00 to 9:00 p.m. in room 424 in Building D at NCC.

Participants will learn about all major welding and cutting processes used in production and repair, in addition to information on reading welding symbols, inspecting and testing welds, and getting a job in the welding industry.

The instructor for this course is Robert Hoting and the fee, which includes text book and materials, is \$275. For more information about the class or to register, call the Continuing Education office locally at 324-5061 or toll free at 800-352-4907.
