Entre Prep Summer Institute Held at Northwest Iowa Community College

Sixteen area high school juniors and seniors participated in the Entre Prep Summer Institute held on the Northwest Iowa Community College campus during the first week of August. The program teaches students the various stages of new business formation - focusing on the development of skills, knowledge, and attitudes.

Students, through the academic school year, will complete a 100-hour internship with a local entrepreneurial and attend entrepreneurial workshops. Graduates from the program receive a \$500 stipend and those who choose Northwest Iowa Community College for higher education receive an additional \$500 scholarship from the NCC Foundation.

The following students participated in the program. They are pictured from left to right.
